

Tuesday, 16<sup>th</sup> June

Dear Parent,

It has been lovely to see your child back at school in the Year 6 'bubble-group' over the past few weeks.

Although school is very different to normal at the moment, the children do seem to be enjoying the company of their peers and are happily attempting the different tasks and activities planned for them.

Thank you for your help in ensuring that the arrangements for the children's return have run so smoothly, for example, with the different start and finish times and new protocols.

Just a reminder that the provision for this group of children will end at **12.30 pm** on **Fridays** (starting this week) to enable Mrs. Patchett the time to fulfill her responsibilities as the school's SENCo.

The DfE has announced that **transition visits** to the secondary schools will not take place this year. However, rest assured that we are ensuring that the children's records and information are transferred across, and that conversations are being held with our secondary colleagues to help ensure that relevant information is passed on to you in good time also.

There will be a slight change to the composition of your child's bubble-group next week.

Due to further staff absence, the Year 5 children who have previously attended the Key Stage 2 key-worker bubble will be joining with the Year 6 children in Trevithick Class. The total number of children in this group will, therefore, increase by three children to eight children in total (still well-below the government's cap of 15 pupils in one class).

We are not anticipating the return of any further Year 6 pupils before the Summer holidays but should there be more requests for children in this year group, or more children looking to attend from the Year 5 key-worker families, then the children might be moved into the hall to allow more space for the children and staff.

Please do get in touch should you have any questions or to raise any concerns.

Yours sincerely,

Paul Hunkin
